## About NAPS-India:

NAPS focus is the development, representation and advancement of different areas of psychology as a science. Many psychology organizations are functional globally the NAPS endeavour is to introduce a scientific platform for professionalism in psychology and allied sciences. The aim of the association is to promote, advance and disseminate scientifically oriented researches for the complete well being of the individual and society. The National Association of Psychological Science (NAPS) also promotes its aims and objectives by publishing a bi-annual research journal “**Indian Journal of Psychological Science** and organizing Psychological Science Congress (IPSC) annually.

### About Panjab University,

The glorious traditions of Panjab University, since its inception in 1882 at Lahore, are a source of inspiration for the present generation of faculty members and students. The present campus at Chandigarh and about two hundred colleges make it unique. By virtue of its age, experience, achievements and philosophy, Panjab University is a university of national character and International stature, with faculty and students drawn from all over the country and abroad. Nobel Prize winners, Dr. Hargobind Khorana (Physiology), Dr. Abdus Salam (Physics), are distinguished alumni of Panjab University.
